

PICTURE DAY WILL BE FEBRUARY 5TH 2012

We are cancelling the gym practice for this date.

****MINI'S** will come dressed & ready in their POM costume around 10:30 a.m. to start the individual pictures, group photo at 10:50 a.m. then into room B to change into JAZZ while TINY's arrive at 11:00 dressed and ready in JAZZ costume to get in line for individual poses, group photo around 11:15.

Mini officer moms please bring sharp scissors and we can decide length of the red tunic top in Room B. Mini's come out and start individual JAZZ pics after your tunic top is cut then group photo around 11:30!

Just remembered officer pics so lets have you guys dressed ready for quick individual pics 10:15.

TIP~ know your individual pose ahead of time!!! Decide your buddy buttons ahead of time!

Pictures will follow same procedure as the May recital pictures. Envelopes will go home with them the Tuesday prior to pictures! Bring envelope filled out, ready to go.

****Something to think about...** you have that line on the bottom of the order envelope that states... What pose do you want on the studio bulletin board? You usually pic this in May & I know it's hard to choose but if you think you want a team picture instead of your class pic then please mark this off.

****All officers will have both on the studio board.**

HAIR- After parting your hair on the left, you will section out enough hair for an obvious swoop on both sides (more on the right), then you will take the rest and put in pony tail in the middle of the back of your head. Then you should do your swoops (swoops should be sleek & come slightly onto forehead so wet & spray w hairspray) next so they can swoop around the ponytail and be pinned to blend in. It's always a good idea to then take the swoops with ponytail and wrap another rubber band around all that. Then take the ponytail & bun it or braid it into a bun (for longer hair) in middle of the back of the head with a *hairnet* and then place the

fake clip on top secured by bobby pins. *When looking in the mirror, hair is parted on the left and the swoop goes to the right, over the right eye (left=less).* Using a little water on the hair and the hair spray helps to smooth it out. We want the hairpiece to add height so make sure you can see it over the top of the head. See me or Lori H at desk, officers moms or look on website at team pics for further explanation😊

We will look at the whole look at pictures & go over it in detail for contest season. New Mini hairpieces are of course a tad different than last year and the year before so we will look and see if any need trimmed or pinned.

MAKE-UP- Eyeshadow instructions~Take the white and put under brows, put the light purple (top right corner of eyeshadow pack) all over lid, put the darker purple (bottom right corner)in the crease~dark enough to see the accent. Take the light pink and add to the inner crease for a little highlight.

*You will use your own lip liner (buy to match lipstick) your own mascara, and bronzing powder. When you get to pictures you can look around to compare with the officers. Pictures are basically a dress rehearsal for competitions so have no fear.

Thanks everyone!!

****Please wear appropriate undergarments if you need to, clear bra straps please. No underwear to be worn with costumes!**

WEBSITE-you will find all team notes on website so if you lose this or panic please go to the website and team information!! 😊

*Please make sure officer mom's have the correct phone numbers for reminders!

*Mini's poms need to be on a pinch type hanger, not in a bag please so they will stay fluffed.

MINI'S~~~~~For the month of February I would like to ask that we turn the leaps & turns class from 4:45-5:15 into additional time for our Mini's rehearsal so in the month of February please note 4:45-6:15 as rehearsal time and thank you for adjusting. Those not in leaps & turns class please note the fee for that additional rehearsal time for 1 month will be \$28.00. I strongly feel we need this extra time to polish technique and sharpen our skills as a team.
